Side Bar 3. ACSM’s GETP, Ninth Edition, Contributing Authors

**Kelli Allen, Ph.D.**
VA Medical Center
Durham, NC
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

**Mark Anderson, P.T., Ph.D., A.T.C.**
University of Oklahoma Health Sciences Center
Oklahoma City, OK
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

**Gary Balady, M.D.**
Boston University School of Medicine
Boston, MA
Chapter 9: Exercise Prescription for Patients With Cardiovascular and Cerebrovascular Disease

**Michael Berry, Ph.D., FACSM**
Wake Forest University
Winston-Salem, NC
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

**Bryan Blissmer, Ph.D.**
University of Rhode Island
Kingston, RI
Chapter 11: Behavioral Theories and Strategies for Promoting Exercise

**Kim Bonzheim, M.S.A.**
Genesys Regional Medical Center
Grand Blanc, MI
Appendix C: Electrocardiogram Interpretation

**Barry Braun, Ph.D., FACSM**
University of Massachusetts
Amherst, MA
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

**Monthaporn S. Bryant, P.T., Ph.D.**
Michael E. DeBakey VA Medical Center
Houston, TX
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

**Thomas Buckley, M.P.H., R.Ph.**
University of Connecticut Storrs, CT
Appendix A: Common Medications

**John Castellani, Ph.D., FACSM**
U.S. Army Research Institute of Environmental Medicine
Natick, MA
Chapter 8: Exercise Prescription for Healthy Populations With Special Considerations and Environmental Considerations

**Dino Costanzo, M.A., FACSM**
The Hospital of Central Connecticut
New Britain, CT
Appendix D: American College of Sports Medicine Certifications

**Michael Deschenes, Ph.D., FACSM**
The College of William and Mary
Williamsburg, VA
Chapter 7: General Principles of Exercise Prescription
Joseph Donnelly, Ed.D., FACSM
University of Kansas
Kansas City, KS
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Bo Fernhall, Ph.D., FACSM
University of Illinois at Chicago
Chicago, IL
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Stephen F. Figoni, Ph.D., R.K.T., FACSM
VA West Los Angeles Healthcare Center
Los Angeles, CA
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Nadine Fisher, Ed.D.
University of Buffalo
Buffalo, NY
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Charles Fulco, Sc.D.
U.S. Army Research Institute of Environmental Medicine
Natick, MA
Chapter 8: Exercise Prescription for Healthy Populations With Special Considerations and Environmental Considerations

Carol Ewing Garber, Ph.D., FACSM
Columbia University
New York, NY
Chapter 7: General Principles of Exercise Prescription

Andrew Gardner, Ph.D.
University of Oklahoma Health Sciences Center
Oklahoma City, OK
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Neil Gordon, M.D., Ph.D., M.P.H., FACC, FACSM
Intervent International
Savannah, GA
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Eric Hall, Ph.D., FACSM
Elon University
Elon, NC
Chapter 11: Behavioral Theories and Strategies for Promoting Exercise

Gregory Hand, Ph.D., FACSM
University of South Carolina
Columbia, SC
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

Samuel Headley, Ph.D., FACSM
Springfield College
Springfield, MA
Chapter 10: Exercise Prescription for Populations With Other Chronic Diseases and Health Conditions

I-Min Lee, M.D., Sc.D., FACSM
Harvard Medical School
Boston, MA
Chapter 1: Benefits and Risks Associated With Physical Activity

Kurt Jackson, P.T., Ph.D., G.C.S.

*Denotes reviewers who were also members of the CCRB.

Robert Axtell, Ph.D., FACSM
Southern Connecticut State University
New Haven, CT

*Christopher Berger, Ph.D., C.S.C.S.
The George Washington University
Washington, DC

*Clinton A. Brawner, M.S., R.C.E.P., FACSM
Henry Ford Hospital
Detroit, MI

Barbara A. (Kooiker) Bushman, Ph.D., FACSM
Senior Editor, Fourth Edition, ACSM’s Resources for the Personal Trainer
Missouri State University
Springfield, MO

*Brian J. Coyne, M.Ed., R.C.E.P.
Duke University Health System
Morrisville, NC

Lance Dalleck, Ph.D.
University of Auckland
Auckland, New Zealand

*Julie J. Downing, Ph.D., FACSM
Central Oregon Community College
Bend, OR

*Gregory B. Dwyer, Ph.D., FACSM
Senior Editor, Fourth Edition of ACSM’s Certification Review
East Stroudsburg University
East Stroudsburg, PA

Carl Foster, Ph.D., FACSM
University of Wisconsin-La Crosse
La Crosse, WI

Patty Freedson, Ph.D., FACSM
University of Massachusetts
Amherst, MA

Steven J. Keteyian, Ph.D., FACSM
Henry Ford Hospital
Detroit, MI

Leonard A. Kaminsky, Ph.D., FACSM
Senior Editor, Fourth Edition, ACSM’s Health-Related Physical Fitness Assessment Manual
Ball State University
Muncie, IN

*Randi S. Lite, M.A., R.C.E.P.
Simmons College
Boston, MA
