

STOPLIGHT REPORT

Take a look at some of our results from rounding. More information is available on your department communication board.

GREEN/COMPLETE:	YELLOW/IN PROGRESS:	RED/CAN'T COMPLETE AT THIS TIME and HERE'S WHY:
<p>Surgery Lab Coats ordered for all staff - delivered Jan. 13th - to be worn out of the Department</p> <p>2 Central Need new binders. Charge book falling apart. Ordered.</p> <p>Lab Ordered 2 additional phlebotomy carts for those who want to use them</p> <p>3 South / 4 Central Staff hired: 4 more coming on 3S, 1 on 4C</p> <p>Radiology CT Scanner addition</p> <p>ED Security has been secured 24/7 to start on January 1, 2008. Intrubation scope has been approved and ordered as well as 2 new ecg machines and a vascular probe for IV access.</p> <p>Pharmacy We ordered stampers for scanning medication orders for the Direct Admit Unit.</p>	<p>Endoscopy IMS (Integrated Medical Systems) to evaluate all Scopes for needed repairs and present condition - Free Service</p> <p>3 South / 4 Central Equipment needs being addressed include: tape recorders, tapes, manual blood pressure cuffs, thermometers, and chairs.</p> <p>3 Central Vs machines often "stuck" in isolation rooms. Will assess how many manual sets we are down, and order these.</p> <p>Rehab Over-the-shoulder O2 tanks are being considered. Trying to line up an in-service with a company rep. Communicating with Observation Unit Manager regarding equipment and supply needs on that unit. Chairs are in their capital budget and are awaiting approval to order.</p> <p>Lab Move urinalysis under the Hematology Department</p> <p>Radiology Moving MM and Bone Density services together</p>	<p>3 South / 4 Central Computers/eMAR in every patient room. Hoping for in 2008 but very expensive. Seeking options.</p> <p>2 Central More VS machines. Not budgeted for this year. Suggested not placing machines in isolation rooms. Looking into ordering more manual equipment for rooms.</p> <p>Case Management The Case Management staff has outgrown its space. Due to the limited space within the facility, we are unable to move.</p> <p>ED IV push pump has been researched and awaiting on Capital approval for 2008.</p> <p>SS/Heart Center/ Express Services The privacy issue in ISS has been addressed, but there is not an immediate fix due to space constraints.</p>
